

TABPHE Call for Workshop Proposals

TABPHE-TABSE Joint State Conference

“Educate, Engage & Empower: The Time is NOW!”

February 22-25, 2018 • Omni Houston Galleria Hotel • Houston, Texas

The success of prior conferences has always depended on you, our conference presenters and speakers! We encourage you to submit a workshop proposal so that your colleagues may benefit from your knowledge and insight. **We are particularly interested in sessions that feature co-presenters, group presentations, and panels.**

Proposals must be received by Friday, November 10, 2017. The limited number of workshop opportunities may necessitate an earlier deadline, so please submit your proposal as soon as possible. The selected presenters will be notified by Friday, November 24, 2017 and **must register and pay registration fees by Friday, December 22, 2017.** TABPHE does not pay honorariums or assume travel expenses or any other costs associated with presenting at the conference. Proposals will be judged on content, clarity and reflection of the conference theme. Time allotted for each workshop is 1 hour and 15 minutes, including questions and answers. A projection screen will be provided for each presentation. The presenter must provide laptop and all other audiovisual equipment and materials. We strongly encourage presenters to have presentation and handouts ready for uploading to the TABPHE website at time of proposal acceptance.

We invite you to submit your ideas, inspiration and innovative presentations that reflect the essence of this year's conference theme, **“Educate, Engage & Empower: The Time is NOW!”** Please submit your proposal on one of the following (or other) topics.

- P-16 Initiatives, Successes & Challenges
- Texas' 60x30 Plan (THECB): College Student Debt, Completion, Marketable Skills or College Readiness
- African-American Male Initiatives, Research & Solutions
- Mentoring Students, Faculty, Staff and Administrators
- Effective Academic Advising
- Leadership and Professional Development
- Career Colleges Impact on Higher Education
- Social Networks in Higher Education
- Motivation and Support Staff Issues
- Maximizing Resources: Improving Access to Higher Education
- Parents, Public Schools and Postsecondary
- Uses of Technology in Higher Education
- Issues Facing Faculty in Academia
- Communication and Teambuilding
- Distance Learning in the 21st Century
- Diversity and Multiculturalism
- Recruitment and Retention Issues
- Historically Black Colleges & Universities (HBCUs)
- Minority Serving Institutions
- Economics and the Global Economy
- Conflict Management and Resolution
- Reflections of Open/Campus Carry

Name _____ Title _____
Name _____ Title _____

Workshop Information

Title of Workshop:

The title should accurately reflect the content of the session.

Abstract:

In the space below, please type an abstract of 50-75 words as you wish it to appear in the conference program. A more detailed proposal may be submitted separately.

Learning Outcome(s):

Please indicate learning outcomes that describe how attendees will benefit from the presentation (i.e., “After attending this session, participants will recognize, become aware of, develop . . .”).

Biographical Summary of Each Presenter

Please provide a biographical sketch of 50 words or fewer for each presenter. Photos will be requested at a later time.

Equipment Needed

The conference will provide projection screen, laptop, projector, and presentation remote for Presenters. Presenters must provide any other additional equipment/software needed for presentation. Hotel equipment rental rates are available upon request.

**Please submit proposal to: Dr. Alexander Okwonna
